## What's happening

We currently selecting speakers who want to present topics that are the most suitable for our attendees.

Just a little sneak peak - we have had topic submissions from all over the world - Singapore (of course), Japan, Malaysia, Philipines, India, Indonesia, Sri Lanka, Switzerland, Vietnam and the United Kingdom.

There are WordPress & web developers, editors, bloggers, marketers, data analysts, customer support heroes, entrepreneurs, designers, educators.

We want to make it a comfortable event and we think 250 is a nice number to have.

So please purchase your tickets early before it runs out.
