12 August 2016

To whom it may concern,

I pledge that **Muntasir Mahmud Aumio**, from **Bangladesh**, with passport no **BK0262059** has been invited to attend WordCamp Singapore, a community organised event focusing on WordPress development and technology.

WordPress is a globally developed web software you can use to create a beautiful website or blog, we like to say that WordPress is both free and priceless at the same time. The core software is built by hundreds of community volunteers. The mission of the WordPress open source project is to democratise publishing through Open Source, GPL software.

We have invited **Muntasir Mahmud Aumio** to attend WordCamp Singapore at Microsoft Singapore's headquarters, One Marina Boulevard. Their participation in this event will require them to be in Singapore from 4th September to 7th September, 2016.

The event is ran by volunteers from Singapore for the Singapore Community on behalf of the WordPress Foundation that is based in the United States.

Wingz Communications (201107219C), a private limited company that is legally incorporated in Singapore is one of the sponsors and supporters of the event.

Yours Sincerely,

Jon Ang
